

# GROWING GOOD BUSINESS

Our Sustainability Strategy is about working with retail partners, suppliers and customers to **make every community a sustainable community**; shifting consumer behaviour by making it **easier for shoppers to make sustainable choices**; and reducing our carbon emissions to **reach net zero carbon by 2040**.

## ACHIEVEMENTS TO DATE

Delivering year-on-year emissions reduction, waste prevention and recycling

2001

1st

Irish company to report against the GRI (Global Reporting Initiative)

2004

1st
